Dear Mr. Mohr:

The U.S. Environmental Protection Agency applauds Momar, Incorporated (“Momar”) for your leadership in developing a set of environmentally cleaners. EPA’s Design for the Environment (“DfE”) program seeks to promote the use of products with improved environmental and human health characteristics. The products in our partnership – Lucent Glass Cleaner Ready-to-Use, Lucent 20X Glass Cleaner Concentrate, Oomph 4X Carpet Spotter Concentrate with Peroxide, Oomph Carpet Spotter Ready-to-Use with Peroxide, Neutrox Neutral Cleaner Concentrate with Peroxide, Vigor Industrial Degreaser Concentrate with Peroxide, Green Heat Industrial Degreaser Ready-to-Use, Green Heat Industrial Degreaser Concentrate, Dash Kitchen Degreaser Concentrate with Peroxide, Respond Tub & Tile Cleaner Ready-to-Use, Respond 3X Tub & Tile Cleaner Concentrate, Brute Vehicle Wash Concentrate, Hammer Ready-to-Use, Hammer 64X Concentrate, Magnet Ready-to-Use, Magnet 128X Concentrate, Envision, Remedy Bioenzymatic Multi-surface Cleaner, Tough as Nails Green, Passage Bioenzymatic Digester, and Pry-Bar – fully achieve that objective in the I/I cleaning sector.

The key purpose of the DfE– Momar partnership is to recognize and encourage the environmentally preferable chemistry of the partnership products. DfE is very enthusiastic about your successful formulation of these products and about our partnership. By eliminating hazardous solvents, environmentally persistent surfactants, and other harmful ingredients, you have demonstrated active environmental stewardship and dedication to continuous improvement.

Customers who use your DfE-labeled products will be participants in this important national effort to protect the environment and safeguard human health. We commend Momar for your commitment to improving the environmental profile and performance of your products—and for leading change in the cleaning industry. DfE looks forward to building this partnership and wishes you much success with the partnership products.

Sincerely,
